AN E&E NEWS PUBLICATION

ENERGYWIRE — Wed., January 18, 2017

 [READ FULL EDITION](#)

1.EPA:

Environmental enforcement got short shrift in Okla. under Pruitt

As Oklahoma's attorney general, Scott Pruitt has brought more than 30 workers' compensation fraud cases. One case, his press release noted, was against a "two-time insurance agent of the year." But of the more than 700 press releases he has issued as Oklahoma's top law enforcement official, not one touts an environmental enforcement case in Oklahoma.

ABOUT ENERGYWIRE – The Transformation of the Energy Sector

Energywire is written and produced by the staff of E&E News. Energywire is designed to bring readers deep, broad and insightful coverage of the transformation of the energy sector. Energywire focuses on the business, environmental and political issues surrounding the rapidly expanding unconventional energy industry and the numerous factors -- from expanding natural gas use to renewables and more -- that are altering the traditional electric

utility industry. Energywire publishes daily at 9:00 a.m.
